Supporting the students and schools of Inner-City Scholarship Fund

## The Cardinal's Scholarship Program

### *Our Most Recent Success*

- The Cardinal's Scholarship Program is an initiative that gives low-income parents the tuition assistance they need to enroll their children in an inner-city Catholic elementary school. We have raised \$95 million of the \$155 million needed to accommodate all parents who desire such an education for their children as well as to fill every seat in the schools.
- The Cardinal's Scholarship Program will provide \$9.6 million this year in partial tuition scholarships to nearly 6,000 needy children.
- The Endowment for Inner-City Education has pledged \$18.3 million in support over nine years to this partnership, and we hope to grow our commitment to the Cardinal's Scholarship Program.
- Donations to the Endowment for the Cardinal's Scholarship Program are matched 2:1 by our funding partners, Children's Scholarship Fund and Inner-City Scholarship Fund, and current-use (non-endowment) gifts are welcomed. The more we raise, the more children we can help!
- Scholarship amounts are calculated based on need, with an average scholarship size of \$1,500 per child and an average family income of \$21,700.
- The Endowment has committed to support each and every scholarship recipient until he/she graduates from high school to ensure that every child receives the best education and a chance for a brighter future.
